ios

Review

Download the most important **free game** in the history of the Play Store. **Subway Surfers** is number one and its number of followers and its history endorse it. The title developed by SYBO Games has been the most downloaded for years on mobile phones and tablets.

Playing Subway Surfers ensures hours and hours of fun. It is a game that seems simple but that will keep you glued to your mobile screen for longer than you imagine.

Your mission is to guide Jake, Tricky and Fresh through different scenarios so that they can escape from the inspector with their pet. To do this, you will go through different scenarios that follow the train tracks of the most important cities in the world. You will have a colorful, fun and dynamic experience.

All you will do is run. The more you travel the more points you will get. The audiovisual section is one of the highlights of the SYBO Games delivery. The title adapts to the performance of each terminal and works excellently on those more powerful phones.

One of the **advantages of Subway Surfers** is that no game is the same as the other. During each race you will have different advantages and benefits that will make each opportunity more fun. In addition, the difficulty also varies as we play more and more.

You can **download Subway Surfers for free on Android and iOS** operating systems. It also has integrated purchases within the program that will grant you coins to carry out transactions of aesthetic elements of the game.

The best advice we can give you for when you start enjoying this installment is to practice. As you spend more hours, you will learn to better handle a control system that is very easy to learn. As your skill improves you will earn more points and climb the world ranking of Subway Surfers players.

One of the most outstanding apps in recent years. You cannot miss the opportunity to **install Subway Surfers** and spend hours of fun on this fun title. With great graphics, simple controls and a proposal that cannot be easily abandoned, the SYBO Games delivery registers as one of the mythical games of this generation.
