Discover a **free app** that will solve one of the most complex tasks that human beings have. Get close to one of the programs recognized worldwide by users and specialized critics. Get free education online with Duolingo.

If you want to **download Duolingo** you can do it through the virtual stores of **Android and iOS**. The program is free of charge, contains advertisements but offers the possibility of making integrated payments to modify the experience.

However, **using Duolingo for free** will be a good option and will help you **learn languages** **online**. The platform has courses in English, German, Italian or Portuguese. The teaching method is interactive, fun and dynamic. By spending a few minutes a day you will gain knowledge to speak a foreign language. This advantage always brings you a benefit both in work, educational or when you are traveling.

Duolingo uses an original method for you to walk the path of knowledge. The strategy that its creators have decided to use is that of the game. That is, as you get more details unit after unit, you will have to answer questions that will take lives if you do not get your answers right or will give you points to level up if you do it correctly. This is a way that you do not get bored and at the same time acquire new information about a language that you do not know.

All free Duolingo lessons are free, short, and entertaining. In turn, the teaching method that we have indicated that the app uses is scientifically proven. All aspects of a new language are covered, as you will use the microphone to pronounce at the same time that you will have the chance to hear the pronunciation of sentences and words.

Install Duolingo and start playing to learn a new language. With a new methodology adapted to current times, the program surprises with a dynamic, complete and useful proposal for anyone. It doesn't matter if you are a student, a tourist or want to get a better job, learning a new language keeps your brain active and moving. Don't miss out on one of the best free education alternatives available today.
