6.4/10

android

ios

✓ Pros

- Variad portfolio, it is also something useful available for you
- Your interests are in the foreground thanks to the integrated algorithm
- You can live out your creativity

✗ Cons

- If your personal information is important to you, be sure to read the privacy policy
- Access of the app is also available to young people, to whom it could have bad influence
- Note additional costs that may appear in the App
