Review

The use of mobile phones is becoming more and more widespread, we use screens for daily activities of our day to day and that before we would not have thought to ever use them. As for example reading The Bible, it is now possible with the **Bible application**. It is even used by priests around the world to make the word of God known.

At first, a web page was launched where you can consult any verse, but quickly seeing the success of this proposal, its mobile version was developed. This application will allow you to always have the Bible at hand, adding to the technological advances that society is experiencing.

Download Bible for free, you find it available for **Android** and **iOS** operating systems.

The main function of this app is to be able to help anyone who wants to study or read the sacred scriptures, but it also has a series of functions that will be very useful to share the word of God more easily. It can be consulted in several languages, English and Spanish, and contains 17 different versions of the Bible with 90 different translations, from the revision of the Reina Valera to the New International Version, whose difference is in the use of a more updated language for new readers. You will surely find the interpretation that you like the most.

Bible is considered the most complete library of the biblical study, with 40 books available to its users and many references, it is widely used for presentations for its texts. Share the verses, testimonies or texts with whoever you want, managing to continue sharing the word of God in this way.

You can also listen to the audio texts, which you can combine with reading or use independently while doing other tasks on your mobile phone. One of the benefits of Bible is that whenever you come across a part that you think is important to remember, you can underline, take notes, or highlight it to return to that part whenever you want. Synchronization is automatic so you will not lose at the exact point where you stopped reading the last time. **Download Bible** and live a unique experience that will help you to better know the word of God.
