Review

One of the disciplines and arts with the largest number of followers and fans is anime. The art of Japanese drawings was born hundreds of years ago and is one of the most beautiful and fun forms of expression in the world. If you are looking for a **free anime game** for your mobile, Lunime has the best option for you.

Lunime offers a series of apps in the **Android and iOS** virtual stores, including: Gacha Club, Gacha Studio, Gachaverse and **Gacha Life**.

You have the possibility to **download Gacha Life for free** and create your whole world, character and identity in this beautiful universe. Once you install the game, the first thing to do is create your own character in the way you like it the most. You can choose from hundreds of different clothing items such as dresses or skirts. In addition, you can design the entire physical appearance of the character with which you will immerse yourself in this universe. You have the possibility to configure up to 20 different characters.

Once you have your character create the world your design will live in. Choose between different backgrounds and environments. **Playing Gacha Life** will allow you to explore a great universe in which you can interact with your entire environment. You have places such as the city or the school available, among others

Also among the **advantages of Gacha Life** is that you can play without necessarily being connected to a data network or WIFI. Enjoy the Lunime experience offline.

Have fun with your character in one of the 8 mini-games available and get rewards, gems and treasures.

Although you can play Gacha Life for free, remember that you have the option of making purchases within the program.

Design absolutely your entire anime world with this excellent proposal. Configure your character and his environment. Choose from a variety of cosmetic elements so that your protagonist is original as well as the entire environment in which she will have her adventures.

Gacha Life offers a wide variety of possibilities for you to spend hours and hours in this authentic universe. Make friends of all kinds and participate in challenging games.

✓ Pros

- You can create up to 20 different characters.
- Your photo studio has many editing tools.
- It has a very collaborative community.
- Encourage creativity.

✗ Cons

- There are objects of payment.
- You can find content not suitable for children.
- There are users who do not comply with the rules of the community.
- Pop-up advertising.
