

## Tatuajes Femeninos

By Aplicaciones Recomendadas Para Ti

4.8/10

android

ios

### ✓ Pros

- The application is really easy to use.
- Before getting ink for life, using the app, you can get an idea of what your tattoo will look like.
- Great way to use AR.
- Can be used for fun.

### ✗ Cons

- The application does not allow you to use multiple tattoos.
- You cannot edit the content.
- The application cannot detect if you are allergic.
- Limited designs.
