There is no doubt that you can learn and play at the same time. Trivia Crack, also known as Trivia Crack, is a true example of that.

Trivia Crack is the game developed by Etermax. The goal is to answer a series of questions on different topics. The most educated player with the greatest amount of knowledge and correct answers takes the game.

The title is available in more than 20 languages and is an ideal proposal to play with friends and in a group. It has a highly optimized ranking system so you can compare yourself to your rivals. Trivia Crack offers a variety of game modes to preserve the interest of its users. For example, it is possible to duel another player or try to collect a series of cards in the special album of the Etermax app.

The game is free to download and offers in-app purchases.
